	Lindau is the railroad station of Zerbst airfield. At present, two fighter regiments equipped with MiG-15s are stationed at this field. The ground unit of one of these regiments has mentioned in the report in connection with a shipment dispatched to Lindau belongs to the ground unit of the fighter regiment stationed in Puetnitz. It is believed	(1E
	that the number was misidentified by source and should read It is believed that each of the three crates contained one jet fighter.	<b>&lt;</b> 1
